Re: United States v. Zapata, 22 Cr 293 (JPO)

Dear Judge Oetken:

I am counsel for Johan Zapata, who is released on bond with home detention pending trial. On November 5, 2023, Mr. Zapata earned a Certificate of Completion from an Alternative to Incarceration at Exodus. He is now attending a job placement training at a program called Strive International Future Leaders.

I respectfully request that the condition of Home Detention be changed to a curfew. United States Pretrial Services Officer Francesca Piperato informs me that she has no objection to this application, upon condition that the hours be set by Pretrial Services. AUSA Kevin Mead informs me that his office defers to Pretrial Services. Thank you for your courtesy and attention to this matter.

Granted.
The bail condition of home confinement is hereby terminated and replaced with the condition of a curfew as directed by pretrial services.
So ordered.

Sincerely,

/s/
